

St Helens Town Centre

Revised Taxi Rank Locations

To accommodate the construction of the town centre development there was a requirement to relocate taxi ranks within the vicinity of these works. On completion of the town centre development works the taxi ranks will be placed in their final positions as shown on the plan overleaf. The implementation of the final setup will be phased to suit the construction stages.

It is envisaged that the Bridge Street area amendments will take place during Spring 2027, with the Hall Street area being completed post Summer 2028.

24hr taxi ranks

- | | | | |
|---|--|---|---|
| 1 | Bridge Street (North Section) | 4 | Cloughton Street (corner of College Street) |
