

Why does my
teacher
look different?

A Story for Children

Usually I can see my
teacher's nose and mouth.

But now, my teacher
must wear a mask. The
mask covers his or her
nose and mouth.

There's a virus called
Coronavirus going around the
world right now. It makes
some people get sick.

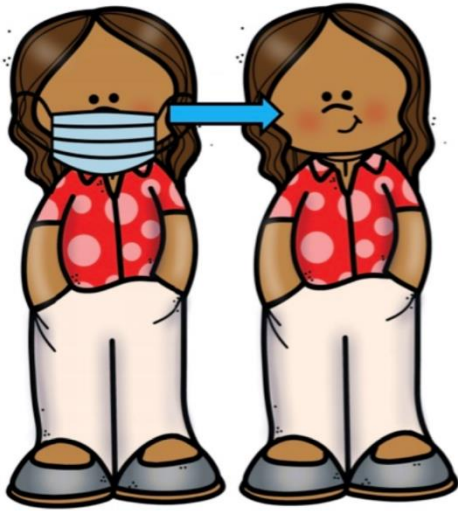

I've probably seen a lot of
people wearing masks lately!
Masks help prevent people
from getting sick.

It will be different to see my
teacher wearing a mask.

But, we will both get used to it!

I can remember that my
teacher's nose and
mouth are still under the mask.

Sometimes I can look at my
teacher's eyes and I can
tell he or she is smiling at me!
