Choosing the right primary school for your child
The statement of preference of a primary school for your child is one of the most important decisions you will have to make.

Dear Parents/Carers,

The statement of preference of a primary school for your child is one of the most important decisions you will have to make. We want to do as much as possible to help you understand how to make your application. This booklet has been produced to tell you about primary schools in St. Helens, how to apply for a place and what to do if your preference cannot be met.

This booklet sets out the arrangements for the admission of children to primary schools for the academic year beginning September 2018. It also sets out arrangements for transfer from one primary school to another during this year and gives details of how places are allocated.

Please note that you may not always gain your first preference when you apply for a primary school. Admission may depend on meeting the criteria which are explained fully in this booklet.

Please take the time to read this booklet carefully before you fill in your application form, even if you have already decided which primary school you prefer. It contains a lot of information which I hope will inform your preferences and, wherever possible, help you to avoid disappointment.

Each primary school produces its own prospectus which contains a great deal of information about that school. It may also be useful to visit the schools which interest you before completing the application form. If you have any queries about individual schools, do not hesitate to contact the head teacher of the primary school concerned.

A checklist for applicants is detailed at the back of the booklet and may help parents/carers in completing the form correctly.

You are also advised to read the information provided on eligibility for home to school transport on page 32, since this may be an important aspect to consider in expressing your preferences.

The staff who work in the Admissions Section at Atlas House are there to help with the application process. Please do not hesitate to contact them with any queries or concerns that you may have about admissions, on 01744 671029.

I hope very much that you find this booklet helpful.

Yours sincerely,

Joanne Davies
Senior Assistant Director, Schools’ Services

Information About Schools

Types of Primary Schools in St.Helens

There are Academy, Community, Voluntary Controlled and Voluntary Aided (Faith) schools in St.Helens.

Academies

Academies are independently managed, all ability schools set up by sponsors from business, faith or voluntary groups in partnership with the Department of Education. Together they fund the land and buildings, with the government covering the running costs.

Community Schools

The Local Authority employs the staff on the recommendation of the Governing Body, owns the school’s land and buildings and, as the admissions authority, determines the oversubscription criteria for these schools (see page 10 for the oversubscription criteria and how places are allocated).

Voluntary Controlled Schools

The school’s site is normally owned by a church or voluntary organisation, but the school is funded and controlled by the Local Authority. The Local Authority is responsible for pupil admissions and, therefore, determines the oversubscription criteria (see page 10 for the oversubscription criteria and how places are allocated).

Voluntary Aided Schools

The Governing Body is the employer, the school’s land and buildings are normally owned by the church or a charitable foundation and they contribute towards the capital costs of running the school. They are the admissions authority and, therefore, determine their own oversubscription criteria (see pages 17-27 for the oversubscription criteria and how places are allocated).

Details of St.Helens Primary Schools

A map on page 40 of this booklet shows where primary schools in St.Helens are located.

The name, address and telephone number of the school, the age range, the admission number and how places were allocated for September 2017 can be seen on the following pages:

Community and Voluntary Controlled Primary Schools, pages 12-16.
Church of England Voluntary Aided Primary Schools and Academies, pages 17-20.
Nutgrove Methodist Aided Primary School, pages 20-21.
Catholic Voluntary Aided Primary Schools, pages 22-27.

Junior School

There is only one Junior school and this is St.Mary’s Catholic Junior School, Newton-le-Willows (see pages 24 & 26 for details). It has an associated Infant school which is St.Mary’s Catholic Infants’ School, Newton-le-Willows. Transfers from the Infant to the Junior school are co-ordinated by the Local Authority when the children reach Year 2, and therefore parents should complete the application form at the back of this booklet. For entry in 2018, the closing date is 15 January 2018.
School Prospectus

The Governors of each school publish a prospectus each year that provides information about their school. As well as including details about school policies, educational needs, curriculum, there will also be a summary of the National Curriculum assessment of the pupils in the school at the end of the appropriate Key Stage. The prospectus is available free of charge from each primary school mentioned in this booklet.

Ofsted Reports

Schools are inspected by the Office for Standards in Education (Ofsted). Copies of Ofsted reports are available from schools or can be viewed on the Ofsted website: www.ofsted.gov.uk

If you do not have access to the internet at home, you can call into the Central Library, Victoria Square, St.Helens and log on to the Ofsted site free of charge. Telephone 01744 676954 for opening times.

School Achievement and Attainment Tables

Annual School Achievement and Attainment Tables (formerly performance tables) are available online at www.education.gov.uk/schools/performance/index.html If you do not have access to the internet at home, you can call into the Central Library in St.Helens, see above for details.

Breakfast and After-School Clubs

Information on which schools provide breakfast and after-school clubs can be obtained from the St.Helens Family Information Service at www.sthelens.gov.uk/fis

School Meals

Youngsters are tucking into healthier meals in the Borough’s primary schools. The Council’s School Meals Service believes it has arrived at the right product - food children enjoy, which is also good for them.

Healthy additions such as crispy vegetable sticks, coleslaw and slices of melon, vegetables, salads, fresh fruit and yoghurt are available.

Pupils are made aware of the different food groups, and staff encourage them to sample foods from each group to broaden their taste and give them a balanced diet.

The cost of a primary school lunch is currently £2.30 per day.

Free School Meals for all Infant Children

Important note for parents of children in Reception, Year 1 and Year 2

All children in Reception, Year 1 and Year 2 are eligible for a universal free school meal. Parents and carers who receive the qualifying benefits (see page 38 for details) should still make an application for free school meals. This is because your school can get additional government funding dependent on the number of children that qualify for statutory free school meals (based on your entitlement to certain benefits and awards).

Please claim, even if your child does not wish to take a free meal.

For more information about free school meals, you should contact the Revenue and Benefits section on 01744 675217.
Timetable for admission to Primary School in September 2018

The timetable for admission to Primary School in September 2018 is as follows:

**September 2017** - Booklets and application forms are available for parents to collect from all primary schools and the Admissions Section at Atlas House.

Parents can apply online using the website [www.sthelens.gov.uk/admissions](http://www.sthelens.gov.uk/admissions)

**15 January 2018** - Closing date for the submission of online applications or the return of paper application forms.

**16 April 2018** - If you submit a paper application, a letter will be posted to you notifying you of the place allocated to your child. If you apply online, you will receive an email at approximately 8.00am on the 16th of April 2018.

**June/July 2018** - Appeal hearings for parents whose preference(s) cannot be met.

**September 2018** - Admission to school.

**Deferred Entry to Primary School**

Parents may request that their child’s entry be deferred until later in the school year following their fourth birthday, providing they do not defer beyond the point at which they reach compulsory school age. Children born in the summer term are not required to start school until a full year after the point at which they could first have been admitted - the point at which other children in their age range are beginning Year 1.

**In all cases, parents will be advised to discuss any request for deferred entry with the relevant primary school.**

**Admission of Children Outside their Normal Age Group**

As a general principle, the Local Authority believes that children should be educated within their chronological peer group. The National Curriculum enables schools to modify both the curriculum offered and the assessment procedures in order to meet individual needs. Inclusion, therefore, should be promoted through curriculum differentiation within the classroom, rather than by moving the child into another year group.

The School Admissions Code makes it clear that it is school admission authorities who are responsible for making the decision on which year group a child should be admitted to but but they should make decisions on the basis of the circumstances of each case and in the best interests of the child concerned. Therefore, the Local Authority has drafted a separate protocol for the admission of children outside their normal age group. A copy of this protocol that explains how applications will be processed is available on the Council’s website at: [www.sthelens.gov.uk/admissions](http://www.sthelens.gov.uk/admissions)

Applying for a Primary School Place for September 2018

Admission Age
Children normally start school from the September following their 4th birthday. You may request that your child’s admission be deferred until later in the school year. Before making the decision to defer entry, parents are advised to speak to the head teacher of the school.

Applications for Reception Year places where a Nursery Unit is attached to a Primary School
Remember - where schools have a nursery class attached, a separate application must be made for admission to the reception class. Attendance in the nursery does not guarantee admission to the school for primary education.

If you have placed your child’s name on a school’s mailing list for an application form, it is still your responsibility to ensure that you return a completed application form before the closing date.

Co-ordinated Admissions
Every Local Authority in England has to co-ordinate admissions to primary schools in their area. Co-ordinated admissions makes the admissions process easier for parents by enabling them to express their preferences for primary schools in a Local Authority, on one application form.

How co-ordinated admissions works:
• Parents complete one application form on which they are asked to list three primary schools and rank them in order of preference. These can be schools within St.Helens or in neighbouring Local Authorities.
• St.Helens Local Authority liaises with the appropriate admissions authorities, including other Local Authorities, if a parent has stated a preference for a school outside the Borough.
• The admissions authority for each of the schools will then determine whether a place can be offered. If more than one place can be offered, the school which the parent has ranked highest will be allocated by the Local Authority.
• All parents who apply by the 15 January 2018 deadline will be sent an offer letter or email on 16 April 2018.

Application Form
If your child was born on or between 1 September 2013 and 31 August 2014 and resides in St.Helens, please complete the application form at the back of this booklet or, alternatively, complete your application online (see overleaf). All St.Helens residents must fill in a St.Helens form even if they are applying for schools in other Local Authorities.

You should state three schools and rank them in order of preference (see Expressing and Ranking your Preferences for Schools, page 8). Your application may include a mixture of different types of schools, for example, Community, Voluntary Controlled and Voluntary Aided Schools. You should only complete one application form.

The completed form can be returned to the Admissions Section (address detailed under Application Checklist), or if you prefer, returned to one of your preferred primary schools by 15th January 2018. If you decide to apply online, your application should be submitted to the Local Authority by the same deadline.

Supplementary Information
This applies to Voluntary Aided Schools only:
If a Voluntary Aided School is oversubscribed, it may require supplementary information to that which is provided on the application form.
If parents wish their application to be considered against the priority Faith criteria they should complete the Faith questions on the Local Authority’s application form (paper or online), and forward the documentary evidence that is requested by the school.

**Online Applications**

You can make an online application for your child’s school place. The online form asks for the same information as the paper form at the back of this booklet. The benefits of applying online are:

- it is quick and easy to use;
- there are simple instructions guiding you through the process;
- you can change your application up to the closing date (15th January 2018);
- you will receive an email confirmation that your application has been received;
- the offer of a school place will be sent via email, so you do not have to wait for the post.

For more information, please go to [www.sthelens.gov.uk/admissions](http://www.sthelens.gov.uk/admissions)

**Applying for Schools Outside St.Helens**

If you live in St.Helens and wish to apply for schools in another Borough, you must do so on the St.Helens form. If you name a school outside St.Helens, you should obtain the information booklet from the relevant authority (contact details on page 41) to find out about the particular school in which you are interested. **PLEASE NOTE: if it is a Voluntary Aided School, they may require you to complete a supplementary information form.**

**Applications from Parents who live Outside St.Helens**

If you reside in another Local Authority and wish to apply for a school in St.Helens, then you must read your home Authority’s booklet and complete their application form. See page 43 for neighbouring Local Authorities’ contact details. Under no circumstances should you complete more than one application form, as this will only delay the allocation process for everyone.

**Expressing and Ranking your Preferences for Schools**

You do not have a right to choose which school your child will go to, you only have a right to express a preference for a school.

- **You should choose your preferences wisely.** For this reason, before expressing a preference, you should check whether the school was oversubscribed last year and read the oversubscription criteria for that school to work out what priority your child would have for a place. See page 10 for details of the oversubscription criteria for Community and Voluntary Controlled Schools and pages 12-16 on how places were allocated for September 2017. See pages 17-27 for details of the oversubscription criteria for Voluntary Aided Schools and how places were allocated for September 2017.
- If you are expressing a preference for a school outside St.Helens, you will find details on the oversubscription criteria and how places were allocated last year from the information booklet of the Local Authority in which the school is situated. (See Local Authorities’ contact details on page 41.)
- **Please remember that the number of pupils in the age group and the pattern of parental preference can change, therefore, distance measurements will differ from year to year.**
- **You should state three schools and rank them in order of preference so that if your first preference cannot be met due to oversubscription, your child may be considered for a place at your second or third preference school.**
- Repeating the name of one school does not improve your chances of getting a place there.
- If you do not name a second or third preference, it does not increase your chance of gaining a place at your first preference school. It means that you have wasted your preferences and, if you do not obtain a place at that school, you may lose priority for another school where you might otherwise have obtained a place.
- If each of your preferred schools is oversubscribed and your child is not offered a place at any of them, the Local Authority will normally allocate a place at the next nearest Community or Voluntary Controlled School with available places. If you live outside St.Helens and you are unsuccessful with your application for a St.Helens school, you will be referred back to your home Local Authority.
IMPORTANT – EQUAL PREFERENCE:
All first, second and third preferences for schools are treated as equal, regardless of parents’ ranking. Therefore, if schools receive more applications than they have places available, the oversubscription criteria will be used to decide who can be potentially offered a place - not the order in which the preferences have been ranked.
The ranking is only used to determine which school should be offered if an applicant meets the criteria for more than one school, i.e. a single offer will be made for the school that has been ranked the highest by the parent.
If you have any concerns about this, please contact the Admissions Section on 01744 671029 prior to completing the application form.

Changes of Preference
The Local Authority will not accept a change of preference after the closing date without proof of an exceptional change in circumstances, e.g. house move to another area or an older sibling has transferred schools.
Where there is no evidence of an exceptional change in circumstances, the change of preference will be considered as a late application.

Late Applications
Applications (including agreed change of preferences) submitted after the closing date will only be considered alongside those who applied on time, when they are received before the allocation procedures begin. However, as this date cannot be predicted, parents have no guarantee that any application received after the closing date will be included.

One Application Per Child
The Local Authority will only accept one application per child for a school place. Where parents disagree on school preferences for their child, they must settle their differences between each other and submit only one form.

Definition of Home Address
This is the confirmed address (before allocation procedures begin) where the child and parent, or person with parental responsibility, normally live. The Local Authority will use the address of the parent who is in receipt of Child Benefit for this. If parents are separated and the child spends time at each parent’s address, the address which receives child benefit will normally be used, but the Authority reserves the right to request other proofs as fit the individual circumstances. It may be necessary for the Authority to carry out checks to confirm that addresses given are genuine.
Parents may, therefore, be asked to produce documentary evidence of their child’s home address, e.g. Council Tax or utility bills.

Any parent seeking to advantage their child’s application for a school place by submitting a false address may have the offer of a place withdrawn once this is discovered.

Please note:
Any change in your home address after you have completed the application form must be notified to the Admissions Section and supported by documentary evidence, e.g. exchange of contract or tenancy agreement. Similarly, if you are unsuccessful in your application for your preferred school(s) and subsequently move address, you should notify the Admissions Section as this may affect your child’s position on the waiting-list(s).
How Places are Allocated

Admission Number
All schools have an admission number (i.e. the number of places available). The admission number for each St. Helens primary school is published in this booklet under the details for each school. If more applications are received than the number of places available at a school, then it means the school is oversubscribed. When this happens, the oversubscription criteria will be applied in order to decide how places will be allocated.

Oversubscription Criteria for Community and Voluntary Controlled Primary Schools in St. Helens
Please note: Attendance in the nursery class of a school or having a younger brother/sister in the nursery unit that may be attached to the school, is not taken into account when allocating places. If more applications are received than the number of places available, the Local Authority will use the following criteria, in order of priority, for deciding how places will be allocated:
1. *looked after children and previously looked after children;
2. children who have a brother or sister at the school at the time of likely admission. This includes full, half or stepbrothers and sisters, adopted and foster brothers and sisters, or a child of the parent/carer’s partner and, in every case, who is living at the same address and is part of the same family unit;
3. other children.

Oversubscription Criteria for Eccleston Lane Ends Primary
If more applications are received than the number of places available, the Local Authority will use the following criteria, in order of priority, for deciding how places will be allocated:
1. *looked after children and previously looked after children;
2. children who have a brother or sister at the school at the time of likely admission. This includes full, half or stepbrothers and sisters, adopted and foster brothers and sisters, or a child of the parent/carer’s partner and, in every case, who is living at the same address and is part of the same family unit;
3. children who live within the catchment area (see map overleaf);
4. other children.

* A looked after child is a child who is (a) in the care of a Local Authority, or (b) being provided with accommodation by a Local Authority in the exercise of their Social Services functions (under Section 22(1) of the Children Act 1989). A previously looked after child is one who immediately moved on from that status after becoming subject to an adoption, residence or special guardianship order.

Tie-Break
In the event of any oversubscription in the number of applications made under any of the categories above, the Local Authority will offer places first to children whose family home is nearest to the school. The measurement shall be done by the Local Authority in a straight line using a Geographical Information System (GIS) based on Local Land and Property Gazetteer (LLPG) data and the National Grid co-ordinates for the family home and the school. Where the tie-break does not distinguish between applicants, e.g. children living in the same block of flats, random allocation will be used. This will be done by drawing lots and supervised by someone independent of the school.

Special Conditions for Twins (etc.)
Where the final place in a year group is offered to one of twins or triplets etc., the Local Authority will not apply the tie-break as it will admit the other twin etc. too, even if that means going above the admission number for the school concerned.

Waiting-lists and Appeals
Where there are more applicants than places for a particular school for the Reception Year intake, the Authority will keep a waiting-list and inform parents about how they can appeal (see page 29 for further details).

**Oversubscription Criteria for Voluntary Aided Faith Schools and Faith Academies in St.Helens**

If you state a preference for a Faith school, it is important that you complete the questions on the application form (paper and online) and submit the documentary evidence that is requested.

The Governing Bodies of Voluntary Aided Schools are the admitting authority for their school and, therefore, determine their own oversubscription criteria. Each school has an individual admission policy and full details can be obtained from the school. The oversubscription criteria for each Voluntary Aided School in St.Helens are detailed on the following pages. If you are applying for a place at one of these schools, you should check the oversubscription criteria carefully. This is particularly important if you do not belong to the same religious denomination as the school.

### Oversubscription Criteria for September 2018
Where the number of applications exceeds the number of places available, the Governing Bodies of Parish CE, Rectory CE, St. Aidan’s CE, St. James’ CE, St. Ann’s CE and St. Mary & St. Thomas’ CE Primary School (both part of the Three Saints Academy) will apply the following oversubscription criteria for their school/academy:

1. Looked after children and previously looked after children.
2. Children who have a brother or sister at the school at the time of likely admission. This includes full, half or stepbrothers and sisters, adopted and foster brothers and sisters, or a child of the parent/carer’s partner and, in every case, who is living at the same address and is part of the same family unit.
3. Children of parent(s) who regularly attend a Church of England church. Regular attendance shall be defined as public worship for at least once a month and for at least 2 years before application. This would need to be confirmed in writing by a member of the clergy or a church officer and submitted by the parent with their application form.
4. Children of parent(s) who regularly attend another Christian church that is a member of Churches Together in Britain and Ireland (www.ctbi.org.uk) or a place of worship which is associated with the UK Interfaith Network (www.interfaith.org.uk). Regular attendance shall be defined as public worship for at least once a month and for at least 2 years before application. This would need to be confirmed in writing by the appropriate Minister of Religion or religious leader and submitted by the parent with their application form.
5. Children who for medical or social reasons require a place at the school. **Such applications would need to be supported in writing by a registered health professional or social worker at the time of application.** (The supporting letter or report must set out the particular reasons why the school is the most suitable and the difficulties that would be caused if the child had to attend another school.)

6. Children whose *parent(s) express a preference for a place at the school.

*A looked after child is a child who is (a) in the care of a Local Authority, or (b) being provided with accommodation by a Local Authority in the exercise of their Social Services functions (under Section 22(1) of the Children Act 1989). A previously looked after child is one who immediately moved on from that status after becoming subject to an adoption, residence or special guardianship order.

*A parent is any person who has parental responsibility for the child.

**Tie-Break**

In the event of any oversubscription in the number of applications made under any of the categories above, then the Admissions Committee will offer places first to children whose family home is nearest to the school. The measurement shall be done by the Local Authority in a straight line using a Geographical Information System (GIS) based on Local Land and Property Gazetteer (LLPG) data and the National Grid co-ordinates for the family home and the school.

Where the tie-break does not distinguish between applicants, e.g. children living in the same block of flats, random allocation will be used. This will be done by drawing lots and supervised by someone independent of the school.

---

**Oversubscription Criteria for September 2018**

Where the number of applications exceeds the number of places available, the Governing Body of **St.Peter's CE Primary School** will apply the following oversubscription criteria for their school:

1. *looked after children and previously looked after children.*

2. Children of *parent(s) who regularly attend St.Peter’s Church of England, Newton-le-Willows. Regular attendance shall be defined as public worship for at least once a month and for at least 2 years before application. **This would need to be confirmed in writing by a member of the clergy or a church officer and submitted by the parent with their application form.**

3. Children who have a brother or sister at the school at the time of likely admission. This includes full, half or stepbrothers and sisters, adopted and foster brothers and sisters, or a child of the parent/carer’s partner and, in every case, who is living at the same address and is part of the same family unit. Within this category children whose parents regularly attend St.Peter’s or
another Church of England or Christian church or a place of worship which is associated with the UK Interfaith Network will be prioritised. Regular attendance shall be defined as public worship for at least once a month over a one year period prior to application. This would need to be confirmed in writing by the appropriate minister of religion or religious leader and submitted by the parent with their application form.

4. Children of *parent(s) who regularly attend St Peter’s or another Christian church that is a member of Churches Together in Britain and Ireland (www.ctbi.org.uk). Regular attendance shall be defined as public worship for at least once a month over a one year period prior to application. This would need to be confirmed in writing by the appropriate Minister of Religion or religious leader and submitted by the parent with their application form.

5. Children who for medical or social reasons require a place at the school. Such applications would need to be supported in writing by a registered health professional or social worker at the time of application. (The supporting letter or report must set out the particular reasons why the school is the most suitable and the difficulties that would be caused if the child had to attend another school.)

6. Children whose *parent(s) express a preference for a place at the school.

*A looked after child is a child who is (a) in the care of a Local Authority, or (b) being provided with accommodation by a Local Authority in the exercise of their Social Services functions (under Section 22(1) of the Children Act 1989). A previously looked after child is one who immediately moved on from that status after becoming subject to an adoption, residence or special guardianship order.

*A parent is any person who has parental responsibility for the child.

Oversubscription Criteria for September 2018

In the event that there are more applicants than places and after admitting pupils with a Statement of Special Educational Needs, naming the school, the Governing Body of Nutgrove Methodist Primary School will allocate places using the following criteria, which are listed in order of priority:

1. Looked after children and previously looked after children.

2. Children who have brothers or sisters at the school at the time of admission. This includes full, half or stepbrothers and sisters, adopted and foster brothers and sisters, or a child of the parent/carer’s partner and, in every case, who is living at the same address and is part of the same family unit.

3. Children of parent(s) who regularly attend a Methodist church. Regular attendance shall be defined as public worship for at least once a month, for at least 6 months before application. *This would need to be confirmed in writing by the appropriate minister and submitted by the parent with their application form.*

4. Children of parent(s) who regularly attend another Christian church that is a member of Churches Together in Britain and Ireland (www.ctbi.org.uk). Regular attendance shall be defined as public worship for at least once a month, for at least 6 months before application. *This would need to be confirmed in writing by the appropriate religious leader and submitted by the parent with their application form.*

5. Children of parent(s) of other Faiths who regularly attend a place of worship which is associated with the UK Interfaith Network (www.interfaith.org.uk). Regular attendance shall be defined as public worship for at least once a month, for at least 6 months before application. *This would need to be confirmed in writing by the appropriate minister and submitted by the parent with their application form.*

6. Children from Christian denominations not included in categories 3-5 of the above. Proof of Baptism in the form of a Baptismal Certificate or confirmation in writing that the applicant is a member of their Faith community from an appropriate Minister of Religion must be submitted by the parents with their application form.

7. Children whose parent(s) express a preference for a place at the school.

*A looked after child is a child who is (a) in the care of a Local Authority, or (b) being provided with accommodation by a Local Authority in the exercise of their Social Services functions (under Section 22(1) of the Children Act 1989). A previously looked after child is one who immediately moved on from that status after becoming subject to an adoption, residence or special guardianship order.

*A parent is any person who has parental responsibility for the child.*

Tie-Break

In the event of any oversubscription in the number of applications made under any of the categories above, then the Admissions Committee will offer places first to children whose family home is nearest to the school. The measurement shall be done by the Local Authority in a straight line using a Geographical Information System (GIS) based on Local Land and Property Gazetteer (LLPG) data and the National Grid co-ordinates for the family home and the school.

Where the tie-break does not distinguish between applicants, e.g. children living in the same block of flats, random allocation will be used. This will be done by drawing lots and supervised by someone independent of the school.

**PLEASE NOTE:** The Governing Body will not consider evidence of eligibility under any of the faith criteria above, after the allocation procedures begin. Therefore it is essential that you supply written evidence of faith criteria with your application form failure to provide written evidence of faith criteria may result in your application only being considered under criterion 7.

Oversubscription Criteria for September 2018

Important: Parents who wish their application to be considered against the priority Faith criteria should complete the Faith questions on the Local Authority’s common application form (paper and online) and forward the documentary evidence that is requested.

Where the number of applications exceeds the number of places available, the Governing Bodies of the Catholic schools shown in the table on pages 22, 23, 24 & 25 will apply the following oversubscription criteria for their school:

1. Looked After Children and previously Looked After Children.
2. Baptised Catholic children who have a sibling in the school at the time of admission.
3. Baptised Catholic children resident in the (designated parish or parishes served by the school).
4. Other baptised Catholic children.
5. Other children who have a sibling in the school at the time of admission.
6. Children from other Christian denominations. Proof of Baptism in the form of a Baptismal Certificate or confirmation in writing that the applicant is a member of their Faith community from an appropriate Minister of Religion is required.
7. Children of other faiths. An appropriate Faith Leader would need to confirm in writing that the applicant is a member of their faith group.
8. Other children.

Tie-Break

In the event of any oversubscription in the number of applications made under any of the categories above, then the Admissions Committee will offer places first to children whose family home is nearest to the school. The measurement shall be done by the Local Authority in a straight line using a Geographical Information System (GIS) based on Local Land and Property Gazetteer (LLPG) data and the National Grid co-ordinates for the family home and the school. Where the tie-break does not distinguish between applicants, e.g. children living in the same block of flats, random allocation will be used. This will be done by drawing lots and supervised by someone independent of the school.

Notes:

a. All applications will be considered at the same time and after the national closing date for admissions. Applications (including agreed change of preferences) submitted after the closing date will only be considered alongside those who applied on time, when they are received before the allocation procedures begin. However, as this date cannot be predicted, parents have no guarantee that any application received after the closing date will be included
b. A Looked After Child who is (a) in the care of a Local Authority, or (b) being provided with accommodation by a Local Authority in the exercise of their Social Services functions (under section 22(1) of the Children Act 1989. A previously Looked After Child is one who immediately moved on from that status after becoming subject to an adoption, residence or special guardianship order.
c. For a child to be considered as a Catholic evidence of a Catholic Baptism is required. Baptism should take place before the closing date for applications. A Baptised Catholic can also be defined as one who has been baptised by the Rites of Baptism of one of the various Churches in communion with the See of Rome (cf Catechism of the Catholic Church 1203). Written evidence of the baptism can be obtained by recourse to the Baptismal Registers of the church in which the baptism took place.

Or
A person who has been baptised in a separate ecclesial community and subsequently received into full communion with the Catholic Church by the Rite of Reception of Baptised Christians into the Full Communion of the Catholic Church. Written evidence of their reception into full communion with the Catholic Church can be obtained by recourse to the Register of Receptions, or in some cases a sub-section of the Baptismal Registers of the Church in which the Rite of Reception took place.

The Governing Body will require written evidence in the form of a Certificate of Reception before applications for school places can be considered for categories of ‘Baptised Catholics’. A Certificate of Reception is to include full name, date of birth, date of reception and parent(s) name(s). The certificate must also show that it is copied from the records kept by the place of reception.

Those who have difficulty obtaining written evidence of baptism for a good reason, may still be considered as baptised Catholics but only after they have been referred to the parish priest who after consulting with the Vicar General, will decide how the question of baptism is to be resolved and how written evidence is to be produced in accordance with the law of the Church.

d. Home Address is the confirmed address (before allocation procedures begin) where the child and parent, or person with parental responsibility, normally live. The Local Authority will use the address of the parent who is in receipt of Child Benefit for this. If parents are separated and the child spends time at each parent’s address, the address which receives child benefit will normally be used, but the Authority reserves the right to request other proofs as fit the individual circumstances. It may be necessary for the Authority to carry out checks to confirm that addresses given are genuine. Parents may, therefore, be asked to produce documentary evidence of their child’s home address, e.g. Council Tax or utility bills.

e. Sibling is defined in these arrangements as full, half or step brothers and sisters, adopted and foster brothers and sisters who are living at the same address and are part of the same family unit. This does not include cousins or other family relationships.

f. A waiting list for children who have not been offered a place will be kept and will be ranked according to the Admission Criteria. The waiting list does not consider the date was received or the length of time a child’s name has been on the waiting list. This means that a child’s position on the list may change if another applicant is refused a place and their child has higher priority in the admissions criteria.

g. For ‘In Year’ applications received outside the normal admissions round, if places are available they will be offered to those who apply. If there are places available but more applicants than places then the published oversubscription criteria will be applied.

h. If an application for admission has been turned down by the Governing Body, parents can appeal to an Independent Appeals Panel. Parents must be allowed at least twenty school days from the date of notification that their application was unsuccessful to submit that appeal. Parents must give reasons for appealing in writing and the decision of the Appeals Panel is binding on the Governors.

i. The Governing Body reserve the right to withdraw the offer of a school place where false evidence in relation to the application.
Waiting-lists and Appeals

Waiting-lists

If your preference for a community, voluntary controlled or voluntary aided school in St.Helens is refused, your child’s name will automatically be placed on that school’s waiting-list. However, we strongly recommend that you consider carefully the school in which a place has been offered to your child, even if it was not one of your preferences. For schools outside St.Helens, you will need to check with the appropriate Local Authority as to whether your child will be placed on a waiting-list.

Please note:

• Waiting-lists are kept in priority order according to the published oversubscription criteria and not on the date on which applications were received.

• Your child’s position on the waiting-list may change depending upon withdrawals, late applications, people moving address etc.

• When prospective pupils withdraw, places vacated are filled by children from the waiting-list. If the appeals process leads to the admission of pupils beyond the published admissions number, places which are later given up will not be offered to those on the list until numbers fall below the published admissions number.

• The waiting-list will operate until the end of the autumn term, i.e. 21 December 2018. If a parent still wishes to be considered for a place after the waiting-list has ceased, it will be necessary for them to re-apply as an in-year transfer (see page 31).

Appeals Procedure

If your child is not offered a place at your preferred school, you have a right to appeal against that decision to a panel that is independent of the school and the Local Authority.

Before the Appeal

You will normally be given 10 school days’ notice of the date and place of the hearing. The majority of appeals for the reception intake are heard in May and June. In the meantime, it is important that you consider alternative schools (including the one that has been offered for your child) in case your appeal is unsuccessful.

The Appeal Hearing

You are advised to attend the hearing, where you will be given the opportunity to put your case and ask questions. The appeal panel will normally allow you to be accompanied by a friend or to be represented. If you do not attend, the panel will consider the appeal on the basis of written statements.

The Appeal Panel’s Decision

The appeal panel will come to a decision after balancing your circumstances with the difficulties caused to the school by the admission of an additional pupil.

However, you should be aware that legislation limits infant class sizes to 30 pupils and restricts the grounds upon which an appeal can be upheld (this normally applies to appeals for schools that have an admission number of 30 or 60). The appeal panel cannot allow such appeals unless they are satisfied that:

• The decision to refuse a place was not one which a reasonable Authority would make in the circumstances of the case; or

• The child would have been offered a place if the admission arrangements had been properly implemented.
The clerk to the appeal panel will send the appeal panel’s decision to you in writing. The decision of the appeal panel is final and both the Local Authority and the Governing Body, in the case of Voluntary Aided Schools, must keep to this.

If your appeal is unsuccessful, you cannot appeal for that school again in the same academic year, unless there is a significant change in your circumstances.

Before lodging an appeal, you may find it helpful to have a discussion with an officer from the Admissions Section, who can be contacted on 01744 671029.

**Appeals for Community and Voluntary Controlled Schools**

If you are appealing for a Community or Voluntary Controlled School, you lodge your appeal by completing the appeal form which is available from the Local Authority.

**Appeals for Voluntary Aided Schools**

If your preference for a **Church of England Primary School/Academy** or **Nutgrove Methodist Primary School** is refused, you may appeal against the decision of the Governing Body by completing the appeal form which is available from the Local Authority.

If your preference for a **Catholic Voluntary Aided Primary School** is refused, you may appeal against the decision of the Governing Body concerned by contacting:

The Archdiocesan Schools’ Department  
Liverpool Archdiocesan Centre for Evangelisation  
Croxeth Drive  
Liverpool L17 1AA  
Telephone: 0151 522 1071

The Archdiocesan Schools’ Department will then arrange for your appeal to be heard by an independent panel.

However, if your preference for **St.Theresa’s (Sutton) Catholic Primary School** is refused, you may appeal against the decision of the Governing Body by writing to the Chair of the Governing Body, c/o the school, and an independent appeal will then be arranged.
Transfer Between Primary Schools

General Advice
It is inadvisable for a child to transfer between schools except at the normal admission age or because of a change of address. If you wish to change your child’s school for reasons other than a house move, you should consider this decision very carefully, bearing in mind that other schools may be full and that the upheaval may be damaging your child’s progress. We recommend, therefore, that you discuss any concerns with your child’s current head teacher to try to sort out any issues.

If you decide to move the child, it is essential that you get a place at a new school before he or she leaves his or her current school.

Application Form
Parents who wish to transfer their child to a St.Helens school should contact the Admissions Section on 01744 671027 or email schooladmissions@sthelens.gov.uk. You may also download a form from the Council's website: www.sthelens.gov.uk/admissions.

Applications for the start of the School Year
If you wish to transfer your child to a new school at the beginning of the autumn term (September), you should request an application form in early June and return it as soon as possible.

Applications for schools outside St.Helens
If you want to apply for a school outside St.Helens, you need to contact the relevant Local Authority (contact details for neighbouring Local Authorities are on page 41).

Fair Access Protocol - Admission of Vulnerable and Challenging Children
Legislation requires all Local Authorities to have a Fair Access Protocol. The main purpose of the protocol is to ensure that all schools in an area admit their fair share of children with challenging behaviour. All schools must participate in their Local Authority’s protocol.

Under the terms of the protocol, schools are required to admit pupils who meet the criteria, even if the year group concerned is full. For that reason, admission appeal panels will not view the fact that the protocol has obliged the school to admit over its admission number as an indication that more admissions will not cause difficulties for the school. See ‘In-Year’ booklet for more information. Please call 01744 671027 or email us for a copy.
General Information and Advice

School Transport Policy

It is parent’s/carer’s responsibility to secure their child’s regular attendance at a school and to ensure that their child is able to get to and from school by whatever means is available to them. Whilst parents/carers have a right to express a preference for their child to attend a primary or secondary school of their choice, the Local Authority does not have any legal responsibility to provide transport if the school is not their “nearest qualifying school”.

If an eligible pupil is attending the “nearest qualifying school”, the Local Authority has a duty to provide assistance with transport as per the Education Act 1996, and the Education and Inspections Act 2006.

The “nearest qualifying school”, is taken to mean the nearest in-borough school to the pupil’s home address, with available places that provides education appropriate to the age, ability and aptitude of the pupil.

A copy of the full Home to School Transport Policy is available on our website. It sets out the way St.Helens Council exercises it duties and powers under the legislation and provides information for parents/carers regarding assistance with transport.

The Local Authority has a duty to provide assistance, to eligible pupils who are St.Helens residents.

Statutory Distance Criteria

Primary Pupils - Reception to Year 6.

Assistance with transport will usually be provided to those who are attending the nearest in-borough qualifying school within the borough with available places, where the measured walking distance between home and school is more than two miles for pupils up to the age of eight, and three miles or more for pupils over the age of eight.

Low Income Criteria

For those pupils who are entitled to free school meals, or whose families are in receipt of the maximum working tax credit, assistance will be awarded for pupils up to the age of 11 years who are attending the nearest qualifying school with places, where the measured walking distance is more than two miles from home to school.

Sustainable Mode of Travel Strategy

Each academic year, Local Authorities have to update and publish their Sustainable Mode of Travel Strategy (SMOT). The document informs parents of the range of policies and initiatives that have been implemented to support sustainable school travel.

The key objectives of SMOT are:

• To inform parents and children of the travel options available to them for travelling to and from school
• To develop an understanding of the access to education issues facing both St.Helens as a whole and individual schools
• To promote sustainable modes of travel to and from school.

The full document is available to view on St.Helens Council’s website.
Special Needs Transport

A pupil’s EHC plan or Statement of Special Educational Needs will state if assistance with transport is required from home to school. For those pupils who cannot access public transport, alternative transport assistance will be offered.

All requests for transport will be forwarded to the Transport Section from the Additional Needs Administration Service, to process.

For those pupils who do not have a EHC Plan or Statement of Special Educational Needs, the statutory mainstream policy will be applied.

Applying for Transport

Applications can be downloaded from the St.Helens website at: [www.sthelens.gov.uk/schools-education/school-college-transport](http://www.sthelens.gov.uk/schools-education/school-college-transport) or alternatively contact:

People’s Services, School Transport Team, Atlas House, Corporation Street, St.Helens, WA9 1LD.
Tel: 01744 671033, schooltransport@sthelens.gov.uk

If you are not a St.Helens resident, you should contact your own Local Authority regarding assistance with transport costs.

Charging for School Trips

Schools cannot charge for activities during school hours which are an essential part of the curriculum. However, schools may ask for voluntary contributions to help with the cost. The Local Authority has issued guidance to Governing Bodies concerning charging for school activities. Parents should contact the individual schools for more details about their policy.

Nursery Education

For information about nursery education, the Local Authority publishes a booklet entitled ‘Nursery Education: Information for Parents’, which is available, free of charge, from schools or from the Admissions Section, People’s Services, Atlas House, Corporation Street, St.Helens WA9 1LD.

Parents/Carers are free to express a preference for any infant or primary school in the Borough. However, there can be no guarantee that a child who has a nursery place will obtain a place at the school to which the nursery is attached. Equally, there is no obligation for a child to attend the infant or primary school to which the nursery is attached.

Transfer to Secondary Education

For information about secondary education, the Local Authority publishes a booklet entitled ‘Secondary Education: Information for Parents’ which is available, free of charge, from schools or from the Admissions Section, People’s Services, Atlas House, Corporation Street, St.Helens WA9 1LD.

The Local Authority operates an associated primary school system for admission to community secondary schools (see table on page 35). Similarly, the Liverpool Archdiocesan Schools’ Commission operates a system of contributory parishes for admission to Catholic secondary schools (see page 36).

Parents should note that there is no obligation for their child to attend the associated secondary school and they are free to express a preference for any secondary school.

The purpose of the associated primary/parish system is to prioritise applications, should demand for places exceed the number of places available.

Parents should note, however, that attending an associated primary school does not necessarily guarantee a place at the associated secondary school, it merely increases the chances of securing a place.

Welfare Services

Provision of Milk

The Authority has a scheme to provide a third of a pint of milk in the middle of each day to infant children attending maintained schools within St. Helens and also children who attend special schools, irrespective of age. In certain circumstances, e.g. medical reasons, other pupils may be provided with milk each day. For eligible pupils who wish to partake in the scheme, there is a fixed termly charge of £2.00. The price remains £2.00 per term even if a child only attends school for part of the week.

There is no scheme for the provision of milk for pupils in the junior or secondary school age ranges.

Milk is available, free of charge, to children whose parents are in receipt of Income Support on application to the Revenues and Benefits Section of the Chief Executive’s Department. Contact details are at the back of this booklet under the heading ‘Free School Meals and Clothing Grants’.

Free School Meals

Every primary school provides a midday meal for pupils. For the current cost of a daily meal, please check with the individual school. Schools offer cafeteria-style facilities.

If you receive Income Support, Income-based Jobseeker’s Allowance, Universal Credit, Income-related Employment and Support Allowance or Child Tax Credit, providing you are not entitled to Working Tax Credit and have an annual income (as assessed by HM Revenue & Customs) not exceeding £16,190, or Working Tax Credit - your child will be entitled to a daily meal, free of charge, up to the cost set by the school.

Pupil Premium

Important note for parents of children in Reception, Year 1 and Year 2

All children in Reception, Year 1 and Year 2 will be offered a universal free school meal from September 2014. Parents and carers who receive the qualifying benefits listed above should still make an application for free school meals. This is because your school can get additional government funding dependent on the number of children that qualify for statutory free school meals (based on your entitlement to certain benefits and awards).

Please claim, even if your child does not wish to take a free meal.

For more information about free school meals, you should contact the Revenues and Benefits Section on: 01744 675217, or email: educationbenefits@sthelens.gov.uk
Children with Special Educational Needs

Admission of children outside their normal age group

As a general principle, the Local Authority believes that children should be educated within their chronological peer group. The National Curriculum enables schools to modify both the curriculum offered and the assessment procedures in order to meet individual needs. Inclusion, therefore, should be promoted through curriculum differentiation within the classroom, rather than by moving the child into another year group.

The School Admissions Code makes it clear that it is school admission authorities who are responsible for making the decision on which year group a child should be admitted to but they should make decisions on the basis of the circumstances of each case and in the best interests of the child concerned. Therefore, the Local Authority has drafted a separate protocol for the admission of children outside their normal age group. A copy of this protocol that explains how applications will be processed is available on the Council’s website, at: www.sthelens.gov.uk/admissions

Discussing Parental Concerns

Parents who consider that their child may have special educational needs should initially contact their child’s head teacher to discuss their concerns. The Local Offer for families who have a child with a special educational need can be referred to on the Council’s website: https://www.sthelens.gov.uk/schools-education/sen-the-local-offer/

For further information, you should contact the Additional Needs Section, Atlas House, Corporation Street, St.Helens WA9 1LD. Telephone: 01744 671106/671113.

Special Educational Provision

A formal assessment under the 2014 Children and Families Act may be undertaken if there is reason to believe that a child’s educational needs are so significant or complex that some form of special provision needs to be made. Parents or a professional involved with the child can refer to the Authority for a formal assessment.

Parents are encouraged to contribute their views about the child’s needs as part of the assessment. Advice is also obtained from the child’s school, a medical officer, an educational psychologist and any other person whose opinion the parents or the Authority considered would be useful.

Parents are kept informed and consulted throughout the assessment process.

Following an assessment, the Authority may be required to make special provision to meet a child’s educational needs. This may be in the child’s mainstream school or in a special school. Copies of detailed information about each special school maintained by the Authority may be obtained from the school concerned or from:

The Additional Needs Administration Service, People’s Services, Atlas House, Corporation Street, St.Helens WA9 1LD.

Pupils with a Statement of Special Educational Needs or an Education Health & Care Plan (EHCP)

Where a pupil has a Statement of Special Educational Needs or an EHCP and the Authority has named a school in that Statement/EHCP, the relevant admissions authority has a duty to admit the child to the school. This applies to all types of school.

Enquiries relating to the Authority’s policies or the placement of children who have been assessed should be directed to: The Director of People’s Services, Atlas House, Corporation Street, St.Helens WA9 1LD. Telephone enquiries should be made to the Additional Needs Section on (01744) 671106/671113.

More information on transport

*Action:* The Local Authority’s policy for primary school transport is now included on page 32.

Define sections by using coloured blocks at the edge of the page

*Action:* Contents pages have now been colour-coded to match coloured blocks at the bottom of the page.

The distance from home to school of the last applicant who was offered a place

*Action:* This information is now included for the schools that were oversubscribed last year.

Facilities offered by each school, in particular breakfast and after-school clubs (including the fees for clubs and the cost of a dinner)

*Action:* The Local Authority now gives contact details for the St.Helens Family Information Service, as they have up-to-date information on both existing and new breakfast and after-school clubs. The Local Authority has also included the cost of a school dinner.

The Local Authority is always looking to improve the service it delivers to parents, but to enable us to do this we need parents to complete the questionnaire on page 43. As you can see, we value parents’ opinions and do act upon suggestions for improvement.

# Service Equality Monitoring Form

St. Helens Council is committed to achieving equality of service access, service quality, and ensuring that no individual or group receives less favourable treatment on grounds that are not justifiable, e.g. because of their age, disability, gender, or race.

Equality does not necessarily mean that all individuals should or can be treated the same. It may be necessary for some individuals to receive more assistance than others, in order that they may achieve an equal level of service quality.

Monitoring the personal characteristics of people who use our services is one way in which we can get information to tell us if any group is not receiving equality of service access or service quality. This is why we are asking you for your personal details.

The information you are about to complete is held in strictest confidentiality by the Council department. Use or disclosure of personal details is subject to the Data Protection Act, which prohibits unlawful access by any person, agency, or organisation.

Application Checklist

Please read the booklet before completing the application form:

Section 1 Child’s Details

☐ Check the date of birth you give is correct (when you receive your offer letter/email in April 2018, you will be asked to provide a copy of your child’s birth certificate to the allocated school).

The address given must be where the child and parent, or person with parental responsibility, normally live. If parents are separated and the child spends time at each parent’s address, the address used shall be that of the main carer. The Local Authority will use the address of the parent who is in receipt of Child Benefit for this. Proof of address is required, such as a recent utility or Council Tax bill.

Section 2 Preferred Schools

☐ Please refer to pages 8 and 9 of the booklet. If your child has an older brother or sister at the school you have named as a preference, please give their details.

Section 3 Reasons for Preference

☐ You may state any reasons you wish in this section. You do not have to state a reason if you do not wish to.

Section 4 Applications for Voluntary Aided Schools

☐ If any of your three stated preferences is for a Voluntary Aided (Faith) School, please answer the questions in this section and ensure you attach, where applicable, the evidence that the school would require to enable them to consider your child’s application under their higher priority Faith criteria e.g. Baptismal Certificate for Catholic Schools, proof of church attendance for Church of England Schools/Academies.

Section 5 Parents’/Carers’ Details

☐ Please complete this section (ensure that you include the child’s name and date of birth) – the Admissions Section needs this information to contact you in case of a query. Please remember to sign and date your form before returning it.

Returning the Admission Form/Proof of Receipt

Please return your completed form with proof of address, e.g. Council Tax or utility bill, to the Admissions Section, Atlas House, Corporation Street, St.Helens WA9 1LD or, if you prefer, one of your preferred primary schools by 15 January 2018.
