Care Homes - Resource Directory

1 Introduction

The information provided in respect of individual care homes i.e. address details, service user groups, home categories, number of beds is based upon information obtained from the Care Quality Commission (CQC) and individual care homes. All care homes included on the list are registered with CQC. The home information will also indicate contact details including whether the home has an email address.

Information on registered provision can change frequently and whilst every effort has been made, it cannot be assumed to be totally correct. You are therefore advised to check with the appropriate CQC Office to establish that the care home holds the appropriate registration, before agreeing to any placement.

You can obtain access to copy inspection reports using the link below or alternatively contacting CQC on 03000 616161 or at www.cqc.org.uk

2 Vacancies

The inclusion of a care home on this list does not mean that the home has vacancies at the time of enquiry. The Council will be able to give you details of any vacancies identified by care homes (contact 01744 673492 or email procurement&contracts@sthelens.gov.uk). However, as vacancies can change daily it is recommended that you contact the care home directly for this information.

3 Care Standards

All care providers must by law be registered with CQC and are inspected against a set of essential standards of quality and safety. CQC carry out regular inspections and the results of these are available via the CQC website together with the rating of each provider. From April 2015 providers are required to display details of their ratings.

The Council also undertakes its own regular performance monitoring designed to ensure that standards are maintained at all times.

4 Fees and Charges (including Top Ups)

In respect of nursing home placements, you will be eligible for NHS funding to contribute towards the cost of your nursing care. This will be payable by the local Clinical Commissioning Group (CCG).

The care home's charge may be over and above the amount the Council would usually be prepared to pay (the Council's usual rate). The 'difference' (so called a '**Top Up**') generally must be paid for by a third party e.g. relative or friend.

Details about funding care in a care home can be found on the Council website or by contacting the Customer Finance Team on 01744 676355.

5 Contracts

The listing below also indicates whether or not the care home has agreed and signed a contract with the Council to provide care in its home.

If the care home has a 'Yes' in the column headed 'Contract' then this indicates that it has accepted the Council's usual terms and conditions to provide care.

If the care home has a 'No' in the column headed 'Contract' then this indicates that it has not accepted the Council's usual terms and conditions. Under such circumstances, the Council, at its discretion may seek an alternative placement at another home.

All contracts must be agreed and signed before any placements can be funded by the Council

Should you require any assistance in respect to this information you can contact the Market Relationship Team on 01744 676226 or via email at **marketrelationships@sthelens.gov.uk**
