Dear Resident/Business Owner

NOTIFICATION OF ROAD CLOSURE – PARKSIDE LINK ROAD: M6 JUNCTION 22

St Helens Borough Council, with working alongside various parties, are contacting you regarding forthcoming road closures. To safely complete highway improvements work at M6 J22, the M6 J22 gyratory will be closed from 22nd July for 7 nights, with associated diversion routes signed. These roads will be closed, from 21:00 to 06:00.

For your awareness these works are being programmed in with closures on the M6 Smart Motorway works, to reduce the disruption to the network. Traffic management proposed by the Smart Motorway Scheme can be viewed at: <https://nationalhighways.co.uk/travel-updates/road-closure-report/>

Please note that these dates are subject to change and in the event of this, further communications will be issued accordingly. To view more information about these works please visit our website: www.sthelens.gov.uk/PLR

If you have any queries regarding these works or would like to join our mailing list please contact highway-improvements@sthelens.gov.uk or 01744 676789 quoting reference: *Parkside Junction Mitigation*.

Yours faithfully

St Helens Council
